

# SPRINT 8 BACKLOG

Issue Type	Key	Name	Story Points Estimate
Story	DCS-32	As a signed-in customer I want to be able to comment on a blog post So that I can get feedback on issues	4
Task	DCS-74	Updating API Documentation	5
Task	DCS-73	Smoke Testing	4
Task	DCS-72	Integration Testing	2
Task	DCS-71	Improving Back End and Adding comments in the code base	4
Task	DCS-70	Improving Front End	4

- We created a comment section for the blog post so that we can get feedback on issues from users.
- We updated the API documentation.
- We did smoke testing in Netlify and Integration Testing in Cucumber and Cypress.
- We improved our Front End.

# BURNDOWN CHARTS

We committed to 23 story points and completed 26 story points.
